NUMBER 12

Improved Passenger Service Is Goal Of Citizens of County

Will Ask Pennsylvania System For An Additional Train On Tyrone & Clearfield Division

PRESENT SERVICE INADEQUATE

The business men of the region served by the Tyrone Division of the Pennsylvania system are making a determined effort to get better passenger service on the branch. A meeting of the representatives of the banking interests of Clearfield and vicinity was held last week and at this meeting it was decided to solicit the aid of all the towns and communities affected. Accordingly Chairman Betts of the Clearfield Chamber of Commerce called a meeting held yesterday in the office of Boulton and Forsyth for the purpose of taking preliminary action on this important proposition.

The meeting was attended by some twenty or more representative business men and the necessity for better service discussed at length. It was the consensus of opinion that another train should be placed upon the branch and the following resolutions bearing upon the subject were unanimously adopted:

RESOLUTION

The train service on the Cambria and Clearfield Branch of the Tyrone Division of the Pennsylvania Railroad being inadequate, and disproportionate to the standing and importance of that branch as a producer of revenue freight and a carrier of passengers and mail and in grave business inconveniences, representative shippers of fire brick, coal and commodity freight, and representative patrons of the passenger service of that branch, in meeting assembled at Clearfield, Pennsylvania, on the 9th day of November, 1920, adopt the following as an expression of the sense of the meeting:

RESOLVED, That the proper authorities and officers of the Pennsylvania Railroad be requested to add a passenger train running on express schedule, to the existing passenger train facilities; said train to leave Tyrone at approximately 8 o'clock A. M., and to run to Grampian in approximately two and one-fourth hours (2 1/4 hours) with station stops only at Osceola, Philipsburg, Woodland, Clearfield and Curwensville between termini; said train to carry passengers, first class mail and newspapers only.

RESOLVED, That said additional train on its return trip to Tyrone be scheduled to leave Grampian at approximately 3:30 P. M., running on the same time, as nearly as may be, as on the trip North, and making the same station stops.

FURTHER RESOLVED, That the said P. R. R. authorities be requested to change the schedule time of train No. 6406 running south from Grampian to Tyrone so that it will leave on its South-bound trip approximately one-half hour later than on the existing schedule.

FURTHER RESOLVED, That said railroad authorities be requested to make Tyrone a flag stop for the discharge of passengers only for train No. 87 leaving New York at 11:30 P. M.

FURTHER RESOLVED, That the Chairman appoint a Committee of five to present these matters to the Pennsylvania Railroad Company at once for its consideration, and that the co-operation of Mr. J. K. Johnston, Superintendent of the Tyrone Division be sought and requested.

Certified from the minutes of the meeting.
H. S. WHITEMAN, Jr., Secretary. WM. I. BETTS, Chairman.

It was then decided to ask the shippers and business men in the different towns between Grampian and Tyrone and Madera to lead the force of their individual demands to the request for additional and satisfactory service by writing personal letters to the railroad company asking acquiescence to the demand for better train service. Each business man will be asked to write a letter to the "Pennsylvania Railroad System, J. K. Johnston, Division Supt., Tyrone, Pa.," expressing the very great necessity for such improved service and asking that the new train be placed in commission when the winter schedule goes into effect on Nov. 27th.

A committee of five was named to present the demands to Supt. Johnston at Tyrone and also the passenger traffic department in Philadelphia. Committees were also named to secure the letters in the different towns affected.

The matter of better train service on the Tyrone & Clearfield branch has long been a crying need and the business people of the region feel that they have put up with the present most miserable service long enough and failing in securing the asked for relief from the railroad company, will appeal to the Pennsylvania Public Service Corporation.

In addition to the local business men interested, Messrs. H. B. Scott of Philipsburg; C. B. Maxwell, of Morrisdale, and J. M. McKinley, of Curwensville, are very active in the movement, the two former gentlemen having attended last week's meeting and also braved the dangers of the slippery Woodland road detour to be present yesterday afternoon.

Chairman Betts appointed Albert D. Bigler and Dean H. Bloom, of Clearfield; H. B. Scott and R. H. Zerley, of Philipsburg; C. A. Rickenburgh and R. H. McCardell of Osceola; John B. McGrath and W. J. Burns of Houtzdale; H. A. Mahaffey, Madera, and J. M. McKinley of Curwensville, as committee to secure the letters supporting the movement from the business men of their respective communities. Each business man is asked to write three "original" letters addressed to Supt. Johnston as stated above, and mail at once to some member of the committee

TO THE LEGION

NEW YORK, Nov. 10.—(United Press)—National Commander F. W. Galbraith, Jr., of the American Legion today issued the following message on Armistice Day:

"The swift triumph of our arms and those of our gallant allies, which two years ago gave us the victory, the anniversary of which we celebrate tomorrow, marks the highlight of the present century in American affairs. Victories such as Armistice Day commemorates are not the issues solely of clashes of flesh and steel. They are finer quality than that. They are the triumphs, as well, of an unconquerable spirit.

"No victory, however complete, long can survive the spirit that conceived it. The annals of mankind are replete with example, splendid triumphs in behalf of splendid causes, that have gone for naught because the spirit that made them ceased to endure.

"This is only the second anniversary of Armistice Day—a day destined, if we will, to keep company with the immortals of the calendar that mark great moments of history that shall never die. Succeeding generations will acclaim Armistice Day. God grant they always shall acclaim it in the spirit that made it; and that this spirit, like the day, shall be imperishable.

"With this prayer in our hearts let us renew each year our vow of fealty, repledge and keep unshakable our faith in the high ideals, the lofty purposes, the unselfish aspirations and exalted, holy hopes, that fired the hearts of Americans in 1918 and made ours a land, from whence crusaders came, with souls aflame, worthy of their victory.

To this end the American Legion, today and forever, solemnly pledges its all."

Posts of the Legion in all parts of the country are planning Armistice Day celebrations at which the Government Victory Medals will be distributed to veterans.

BUSINESS PLACES ARE ASKED TO OBSERVE HALF HOLIDAY TOMORROW

In compliance with the following request from the American Legion, T. John M. Chase, Burgess of Clearfield, hereby request all business places to close at noon tomorrow and that the afternoon be given over to a proper celebration of Armistice Day:

Clearfield, Pa., Nov. 10, 1920.

Mayor John M. Chase—

Dear Sir—To permit of some observance of Armistice Day tomorrow, Thursday, Nov. 11th, you are requested to ask that all business places be suspended at twelve noon and that the afternoon be observed as a holiday.

Yours very truly,

JOHN SHADE POST AMERICAN LEGION,
By Frederic B. Kerr, Commander. Harry R. Evans, Adjutant.

SUNDAY SCHOOLS OF CLEARFIELD PLAN ATTENDANCE DRIVE

History says, "Look Back"
Science says, "Look Around!"
Philosophy says, "Look In!"
But
Religion says, "Look Up."

Realizing that the Christian is a co-laborer with God, and "Looking Up" to Him for divine guidance in work the Christian people of Clearfield will have in the very near future, an opportunity to do some positive person work for the enlargement of His Kingdom.

At a meeting held on Monday evening in the Presbyterian church, the pastors together with a delegate from the several schools of the town decided to make a survey of the town with the hope of reaching those who are not attending the Sabbath school, enlist their service and at the same time make our schools more efficient in the great work of the Master. To do this it will be necessary to have the co-operation in the great work of the Christian people. Workers will be needed from every school. These will be sent out in teams to make the survey in a district assigned to them by the committee in charge. This survey will probably be made the last Sunday of the month and will be completed, if possible, in one afternoon.

What shall be our attitude toward this movement? If you are asked to be one of the workers what will YOU say? "Look Up" and then with a determination to do your best, say,

from his town or community, and all the letters will be presented to the railroad company by a committee of five representative citizens of the region to be selected for that task. Prompt action as to the letter writing is needed because of the shortness of time until the new winter schedule for the branch is announced.

FRANCE MAKES GREAT STRIDES IN RECOVERY

In Better Shape Than Any of the Allied Nations Along Reconstruction Lines

HER PEOPLE ARE PRODUCING

By HENRY WOOD
(United Press Staff Correspondent)

PARIS, Nov. 10.—Within two years after the signing of the armistice, France has worked two veritable miracles—one of re-adjustment and one of reconstruction.

As a result of this miracle of re-adjustment although France was the one allied country that suffered most from the war, and the one country in which the increase in the cost of living was the greatest, she is the only one of the big allied powers who today is entirely free from any strikes or social unrest of an economic nature.

Furthermore, she is the only one of the big allied powers who in the same period of time has been able to free herself fully and definitely from the menace of Bolshevism. The death knell of the latter was sounded a month ago when in national convention at Orleans the French Federation of Labor almost unanimously condemned the leaders who up until eight months ago ordered and supported political strikes amongst the French workmen.

Instead of waiting, as much of the rest of the world has done, for economic life to re-establish itself on the pre-war basis, France saw at once that this would never happen and immediately readjusted herself to the new economic life imposed by the war.

The official statistics of the Allied countries place the increase in the cost of living in France as a result of the war at 300 per cent.

Yet despite this astounding, handicap official figures of the French ministry of Public Instruction, show that salaries generally throughout France have now been increased from 200 to 300 per cent.

It is this quick readjustment of the whole economic basis of French life to the new standard of living created by the war, that has left France entirely free from industrial strikes for the past nine months and has wiped out completely the menace of Bolshevism.

All France is hard at work today on a fairly contented basis to repair the havoc and damages wrought by the war.

Like all other Allied nations in Europe, one of the greatest damages to France from the war was the increase in her importations and the decrease in her exportations resulting in the frightful decrease in the value of French money in foreign countries. Yet the most astounding progress is being made to remedy this by increase in French production and consequently increased exportation and decreased importation.

During the first seven months of 1919 France exported only 4,778,408,000 francs worth of merchandise and produce. For the first seven months of 1920, these exportations were increased to 12,008,830,000 francs, a gain of over 7,000,000,000 francs. France's total importations for 1919 were 29,778,000,000 francs against only 8,713,000,000 francs of exportations.

For all of 1920 it is estimated that her importations will only be \$7,304,000,000 francs and her exportations 20,582,000,000, showing a steady progress towards the reestablishment of equal importations and exportations necessary to overcome the present ruinous rate of French exchange.

As regards commercial relations with the United States France's importations for July from America which totaled \$58,961,554 were reduced for the month of August to \$38,821,950, showing how fast French industries are getting back on a basis where they can supply the needs of France without recourse to foreign countries.

France has kept equal pace in the reconstruction of her devastated regions.

Of the 2,712,000 French citizens who were driven from their homes by the German invasion 1,533,000 are now back on the job.

Of the 5,570 kilometers of railway destroyed during the war 4,070 kilometers are back in operation.

Of the 5,780,000 acres of land re-

Fifty-one Nations To Be Represented First League Meeting

LONDON, Nov. 9.—Fifty-one nations, large and small, inhabited by peoples of every race, color and language, will be represented at the first League of Nations Assembly at Geneva, November 15.

Chinese, Japanese and Arabs will rub elbows with the Latins and Celts. French and English will be the language through which business will be transacted. Many of the delegates will understand neither language.

Of the nations represented at Geneva, eleven are the five dominions of the British Group, because they joined the League automatically, through the coming into effect of the Treaty of Versailles on January 10th, 1920.

Eight other countries ratified the pact subsequently, and are considered as charter members. Thirteen states, entering during the Great War, are members through continuing negotiations extended in conformity with the annex to the charter.

China, alone, derives her membership rights by becoming a signatory to the Treaty of St. Germain.

Eleven other countries, some of which have only a de facto governments, have officially applied for membership. Applications will be acted upon at the Assembly meeting, and those of Germany, Austria, Hungary, and Bulgaria, if they are received officially before the date of the meeting.

The only nations which will not be represented at Geneva, either officially or semi-officially, are the United States, Mexico and Cuba.

Nations invited to become league members who accepted, and date of their accession.

WRITE A NOTE, PROBABLY

LONDON, Nov. 10.—Complications between the United States government and the Bolsheviks were further increased as a result of the murder of Captain Edmund Ellsworth, a Red Cross worker at Salavda, Russia. There was much doubt as to what action if any the United States would take.

HUNTING ACCIDENT CLAIMS 16 YEAR OLD BOY AS VICTIM

One of the saddest hunting accidents of the season occurred yesterday morning about 8:30 near Leithersburg when young Ellsworth Himes, 16 years of age accidentally shot and killed himself. Ira Wineberg, who had been working at Brookville, where the boy lived returned to his home yesterday and was accompanied by young Himes. The two had planned to spend a day or so hunting rabbits on the Philip Arnold farm near Leithersburg.

The two young men were not far apart when Wineberg heard a shot and the other boy call for help. He immediately rushed to him, where he found young Himes in a serious condition and holding to a tree for support. Wineberg left his friend and went as quickly as possible to the nearest farmhouse to call for a doctor. While he was gone Himes although mortally wounded managed to stagger for perhaps a half a mile, where he was found later. With the doctor Wineberg returned to the spot where he had left his friend, and although his gun and dog were there, he found no trace of the boy.

It was inevitable because of the presence of unexploded shells and mines, 5,220,000 acres have been cleaned and put back into cultivation. Of the 5,060,000 acres of ground that were pounded into nothing by shell fire and other war activities, 2,870,000 have been restored to productivity.

Of the 11,500 factories that were destroyed by the war 5,540 are already back in operation and another 3,842 are under reconstruction.

Of the 370,000 people who were employed in these destroyed factories before the war, 257,000 are back at work.

NEW YORK, Nov. 10.—The body of a young man, identified as Edmund Ellsworth, was found yesterday morning at Salavda, Russia. The body was found by a Russian soldier, who was on duty at the time. The body was found in a field, and was identified by a Russian soldier, who was on duty at the time. The body was found in a field, and was identified by a Russian soldier, who was on duty at the time.

Tomorrow we celebrate Armistice Day and we have only to let our minds wander back a short two years to appreciate the meaning of the day. To the home and fireside it means more than any other day in our national history with the exception of Independence Day which gave to us all that we are as a nation and all that we can hope to be as a free people. Come to think about it, it would be a most appropriate day on which to make out that check for the Legion band.

It will be only a short while until the regular two yearly scrap takes place in our state House of Representatives for the speakership of the house and not a few of the old old timers in the house are eagerly looking forward to it and counting their chances of landing the coveted position. Not the least of these candidates will be Joseph E. Phillips, our townsman, who not only has been re-elected times without number but is considered by the people of this county to be worthy of more votes than any other candidate at any election he has ever figured in. Mr. Phillips has been in the legislature long enough to become thoroughly acquainted with legislative procedure and has an acquaintance that is state-wide. His record is such that he will be accorded considerable support and if he makes the race his opponents will find him more than in the running.

The Farm Bureau finished digging the three Potato Variety Tests conducted in the county last week. While the results were somewhat of a surprise to some yet they indicate what we might expect this year. The results are not what we would expect in a normal year because of both early and late blight catching the crop before they were mature. The early maturing varieties outyielded the others because they were better set and further advanced when the blight struck them.

The results of the three tests are as follows:

Variety	Plot 1	Plot 2	Plot 3
Mr. Wagon Raisin	43 bu.	198.4 bu.	275.38 bu.
Carman No. 3	66.1 bu.	158.8 bu.	256.52 bu.

Shoes For Your Boy and Girl That Will Wear

Strong and healthy boys and girls usually wear out a lot of shoes. That's what makes them so strong and healthy—not merely because they wear the shoes out but because they do those active things which build up their bodies and wear down their shoes. Of course you want your boy or girl to be strong and healthy but you don't want it to cost you too much in shoes. It won't if you get them here. These shoes stand a lot of service and they are very low priced.

Stockings

Double toes and heels. They will stand the hard wear the boys and girls give them 50c

Misses Shoes

Sizes 11½ to 2 in black calf, lace, high tops at \$4

Misses' Shoes, button, cloth or leather tops, made of solid leather \$2.50

Misses' Shoes, brown calf leather, wide or medium narrow toes, the best of leather at \$5.00

Children's Shoes

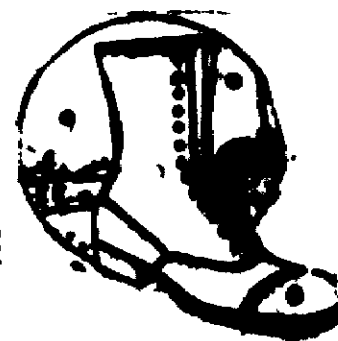

in black leather, sizes 8½ to 11, lace or button—\$2.00, \$2.50, \$3.00

Children's shoes with cloth tops, wide toes \$2.00

Children's shoes in black or brown leather, welt soles, made of the finest calf skins, button or lace styles at \$4.00 to \$4.50

Special

One lot boys shoes, extra good grades, sizes 11½ to 2 at \$2.45

DON'T RISK NEGLECT

Don't neglect a constant backache, sharp, darting pains or urinary disorders. The danger of dropsy or Bright's disease is too serious to ignore. Use Doan's Kidney pills as have your friends and neighbors. A Clearfield case.

Ask your neighbor.

Mrs. Roy Shirey, 128 Clearfield street, says: "About three years ago I had an attack of kidney complaint that caused me to have a bad pain in the small of my back. When I got up mornings the pain would be severe and I had headaches. My hands were swollen, too. After taking about four boxes of Doan's Kidney Pills, the pains in my back were all gone and I haven't been troubled with my kidneys since. I think Doan's are a wonderful kidney remedy and I gladly recommend them."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney pills—the same that Mrs. Shirey had. Foster-Milburn Co. Mfrs., Buffalo, N. Y.

"Diamond Dyes"

Don't Spot, Run

Don't Risk Material in Poor Dyes that Fade or Streak

Each package of "Diamond Dyes" contains directions so simple that any woman can diamond-dye a new, rich, fadeless color into worn, shabby garments, draperies, coverings, whether wool, silk, linen, cotton or mixed goods.

Buy "Diamond Dyes"—no other kind—then perfect results are guaranteed even if you have never dyed before. Druggist has color card.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without causing pain or any disagreeable effects. Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint, with the attendant bad breath.

Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect.

Services will be held in the Presbyterian church and interment will be made in Bloomington cemetery.

FOR BURNING ECZEMA

Apply Zemo, the Clean, Antiseptic Liquid—Easy to Use—Does Not Stain

Greasy salves and ointments should not be applied if good clear skin is wanted. From any druggist for 50c, or \$1.00 for large size, get a bottle of Zemo. When applied as directed it effectively removes eczema, quickly stops itching, and heals skin troubles, also sores, burns, wounds and chafing. It penetrates, cleanses and soothes. Zemo is a clean, dependable and inexpensive antiseptic liquid. Try it, as we believe nothing you have ever used is as effective and satisfying.

Look for the TONE LEAVES

Exclusive Columbia Features

These exclusive Tone Leaves identify every genuine Columbia Grafonola. You know, when you see them, that the phonograph before you has all the important exclusive features.

These exclusive Tone Leaves will give you complete and accurate control over tone volume without sacrificing tone quality or any of the beauty of the record.

The Columbia Grafonola's Streamline Cabinets are invariably in perfect accord with modern artistic furniture design.

The Columbia Grafonola's Straight Tone Arm insures that the music will develop fully and naturally. This music will be an exact reproduction of the music the artists themselves produced on the original wax in the Columbia Laboratory.

And, in addition to all these exclusive advantages, the Columbia Grafonola is now equipped with the exclusive Columbia Non Set Automatic Stop. Operates on any record, long or short. Never stops before it should. Always stops at the very end. Nothing to move or set or measure. Just start your Grafonola, and it plays and stops itself.

Ask the nearest Columbia dealer for a demonstration of the stop that needs no setting.

NEWS OF OUR NEIGHBORS CURWENSVILLE

For several weeks past Joshua Earl Sipes Post No. 505, American Legion have had in preparation a program by which Armistice Day, Thursday, November 11th, will be celebrated in a most fitting manner. The members of this organization have spared neither time nor expense in their preparation for this occasion and are determined that it shall be one of the patriotic events that will not be forgotten in the minds of Curwensville youth or old age. The sports and entertainment of the entire day and evening will be conducted under the auspices of Post 505. Promptly at the noon hour all industries, business places and public schools will close. A foot ball game has been scheduled to take place at 2 o'clock on the athletic grounds at Phillipsburg and Curwensville, and will be an attraction at which a large number of town people will congregate the weather being favorable, who delight in witnessing a sport of that degree and nature. The leading and one of the most interesting features of the evening's program will be a parade which will move from American Legion headquarters, on corner of Meadow and Filbert streets at 7:30 o'clock sharp, and will consist of three bands of music, namely: The Keystone and Crescent of this place and the Grampian, from that town. Ex-service men of which it is expected that there will be several hundred in line veterans of the Civil and Spanish American wars, fraternal organizations, Rescue Hose and Ladder company in full parade uniform, pupils of the public schools, Boy Scouts and mothers of the service men. The line of march will be over the principal streets in the main part of town and on Susquehanna avenue, South Side. After the dismissal of the parade line the formal opening of the new American Legion headquarters will take place.

Van Caldwell is confined to his South Pine street home by a severe and painful attack of sciatic rheumatism. The members of the Baptist congregation are advertising a bread, cake etc., sale to be held in the Hastings plumbing shop room on Saturday evening, November 11th, the proceeds of which to be applied to the church fund. Everybody is invited to attend and assist the ladies in this worthy cause by investing a small sum in the purchase of some food stuff.

Several children by the name of Askey living on Ridge avenue, are afflicted by an attack of scarlet fever. Household goods, farm implements, horse, young cow, white pine hickory and oak lumber in the rough and surfaced, hemlock flooring, 20 windows with six lights 10x12, carpenter and chest full of all kinds of tools, also iron, iron, spouting for two houses, points white enamel, white wood and oil, cats, hay and straw, corn and corn fodder. Many other things too numerous to mention. Sale begins at 1 o'clock p. m., Friday, November 26th, a farm one-fourth mile from Paradise school house. 11-20-20 JOHN FINKBEINER

Movement of Solar System. Astronomers agree on the fact that the sun is moving through space toward a point in Cygnus with a velocity of about 12 miles a second. The whole solar system is necessarily involved in this motion.

FOUR MONTHS OLD BABY RELIEVED OF NERVOUSNESS

Mother Tells How Nerv-Worth Proved a Blessing to Her 4 Months Old Child Who Was Nervous and Irritable.

As a tonic for nervous, irritable babies, Nerv-Worth is in a class by itself. It gives quick and pleasing action, and being composed of harmless ingredients, has no bad effect whatever upon the child. It's pleasant taste makes the kiddies like it, and they cry for more. Mrs. Charles Wright of Georgetown, Pa., testifies in the letter below as to what Nerv-Worth did for her baby. Mrs. Wright said: "Our child William, 4 months

old, was troubled with nervousness. For 3 months he would cry at nights and we knew that he was not feeling right. We tried giving him small doses of Nerv-Worth and the results were wonderful. Our baby is now bright and cheerful at all times, and we can't say enough for this wonderful medicine." Nerv-Worth contains no harmful drugs, opiates or coal tar products, and for this reason makes an ideal preparation for babies. It tones its little system, regulates its bowels and benefits it in everyway. Nerv-Worth is sold by Stewart's Drug store and all leading druggists everywhere. Be sure to get the genuine in the round bottle.

Lydia E. Pinkham's Vegetable Compound Has Been This Woman's Safeguard All That Time.

Omaha, Neb.—"I have used Lydia E. Pinkham's Vegetable Compound for over twenty years for female troubles and it has helped me very much. I have also used Lydia E. Pinkham's Sanative Wash with good results. I always have a bottle of Vegetable Compound in the house as it is a good remedy in time of need. You can publish my testimony as every statement I have made is perfectly true."—Mrs. J. O. ELAQUIST, 2424 S. 20th Street, Omaha, Nebraska.

Women who suffer from those distressing ills peculiar to their sex should be convinced by the many genuine and truthful testimonials we are constantly publishing in the newspapers of the ability of Lydia E. Pinkham's Vegetable Compound to restore their health. To know whether Lydia E. Pinkham's Vegetable Compound will help you, try it! For advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman, and held in strict confidence.

For sale at all drug stores.

TRINITY METHODISTS HOLD SPECIAL SERVICE

The Trinity Methodist congregation begin revival services this evening. As a preparation for these meetings, prayer meetings have been held in several districts, five homes being opened for the purpose last evening. Eight persons were received into membership of the church last Sunday and the unday school has been showing an increase in attendance over that of one year ago. The meeting will begin at 7:30 this evening. It is expected that members and friends of the church will be present in large numbers. Everybody welcome. The pastor, Rev. W. W. Hartman's sermon will answer the question "Does anything happen as a direct result of prayer?"

Miss Ardythe Beish entertained the Y. T. E. club at her home on Nichols street last evening. Dainty refreshments were served.

Tough—strong—comfortable

The rubber shoe that miners ask for

BUILT of tough, springy rubber—heavily reinforced at just the points where the wear is hardest—easy on the feet all day long—that's the U. S. Bootec.

These tough, rugged shoes are absolutely watertight. They're shaped on the famous U. S. Army last so as to fit the foot perfectly. The feltex innersole and the special friction lining mean solid comfort always.

For farmers, too
Built especially to stand up under hard use in mines—the hardest possible kind of wear—the U. S. Bootec and the U. S. Boot are now being adopted by farmers everywhere who know the value of sturdy, comfortable rubber footwear.

But what miners like best is the

wear they give. Week after week, month after month, U. S. Bootecs give you steady, reliable service. They'll stand the roughest sort of wear.

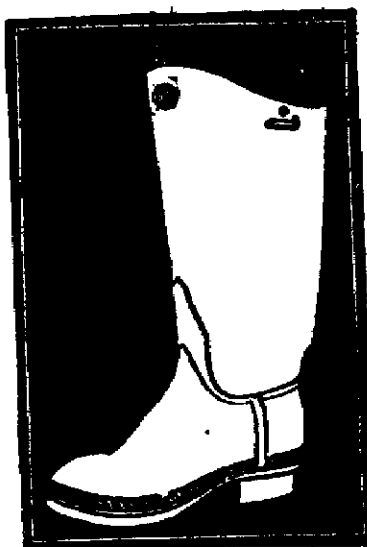

U. S. Bootecs are made by the oldest and largest rubber manufacturer in the world. They come in two styles—high and low. Ask your dealer to show you a pair.

Be sure to look for the U. S. Seal—it means solid wear and long service for your money.

United States Rubber Company

Look for this seal  on all "U.S." Footwear

"U.S." Boots—made in all sizes and styles: white, red, and black. Reinforced where the wear is hardest!

Miss Margaret Gordon has returned to her home in Williamsport after spending the past week with friends here.

I would guard yours not if your eyes do not run the risk of a complete break down of the delicate eye-muscles—have the exterior and interior of the delicate eye-muscles—lined by our reliable optometrist. We will determine your visual acuity for near and far seeing. If you need bifocals we will suggest fused lenses that give the appearance of one lens. Our moderate prices will interest you.

IS PICTURE OF PERFECT HEALTH

That's What Mrs. Locher Declares Her Friends Say Since She Began Taking Tanlac

"Before taking Tanlac I was in an awful nervous run-down condition, but now my friends say I am the picture of perfect health," said Mrs. Stella Locher, 294 Benedict St., Brownstown, a suburb of Johnstown, Pa.

"I used to get up every morning all tired out and had no energy or desire for work. My nerves were at such high tension that I couldn't stand the noise the children made."

"I also suffered from nervous headaches, and while some nights I slept fairly well at other times I never slept at all. Even the ordinary noises about the house would get on my nerves."

"In fact I was getting in a pretty serious condition when I saw a testimonial that reminded me of the splendid results my husband had got from Tanlac. We also have a friend, now seventy-eight years old, whom Tanlac helped wonderfully. He hadn't been able to work for a long while but has been working ever since he took Tanlac."

"Knowing this about Tanlac, when I found myself in need of something to build me up I did not hesitate to take it. My nerves have quieted down wonderfully, the headaches are gone and that tired feeling has left me."

I gladly recommend Tanlac, feeling sure it will help anyone who gives it a fair trial."

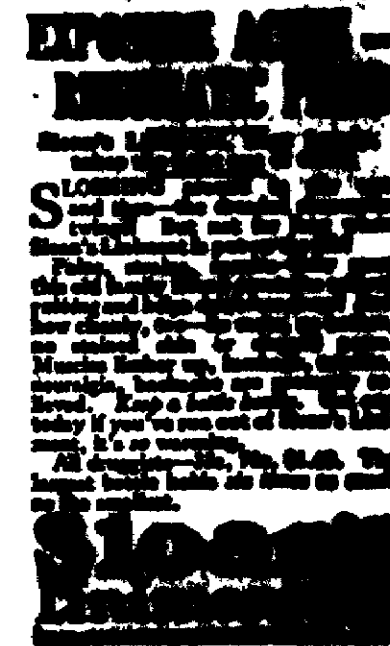

Tanlac is sold by all leading druggists.

COMMUNITY PLAY

The charm of a successful dinner party depends in great measure upon perfect table appointments. Many of the leaders in society here and abroad use COMMUNITY PLAYS exclusively. We shall be happy to show you a complete line of COMMUNITY at moderate prices.

Another Royal Suggestion

COOKIES and DROP CAKES

From the NEW ROYAL COOK BOOK

WHEN the children are hungry, here are some wholesome delights that will satisfy the most voracious appetite.

Cookies
1/2 cup shortening
1/2 cup sugar
1/2 cup milk
1/2 cup flour
1/2 cup Royal Baking Powder
Cream shortening and sugar together; add milk to mixture; beat well and again; add slowly to creamed shortening and sugar; add nutmeg and flavoring; add 1 cup flour stirred with baking powder; add enough more flour to make stiff dough. Roll out very thin on floured board; cut with cookie cutter; sprinkle with sugar, or put a raisin or a piece of marzipan in the center of each. Bake about 15 minutes in hot oven.

Cocoa Drop Cakes
4 tablespoons shortening
1 cup sugar
1 egg
1/2 cup milk
1/2 cup flour
1/2 cup cocoa
1/2 cup Royal Baking Powder
1/2 cup vanilla
Cream shortening and sugar; add milk and beat well; add slowly sifted cocoa, flour, salt and baking powder; stir until smooth and vanilla. Put one tablespoon batter into each greased muffin tin and bake in moderate oven about 10 minutes. Cover with boiled icing.

ROYAL BAKING POWDER

Absolutely Pure

Made from Cream of Tartar, derived from grapes.

GRANDMOTHER KNEW

There Was Nothing So Good
for Coughs and Colds
as Mustard

But the old-fashioned mustard—
sharp, hot and blistered while it
acted. But the relief and help that
mustard gives, without the
pain and without the blister.
Mustard does it. It is a clean,
white substance, made with oil of mus-
tard. It is scientifically prepared, so
that it works wonders, and yet does
not blister the tender skin.
Simply massage Mustard in with the
finger-tips. See how quickly it brings re-
lief—how speedily the pain disappears.
The Mustard for sore throat, bron-
chitis, croup, stiff neck,
croup, sore throat, headache, conges-
tion, pleurisy, pneumonia, lung-
pain, and all the ills of the back or joints,
sprains, sore throat, bruises, chil-
blains, frost-bites, cuts of the chest
or other appropriate pneumonia).

MUSTEROLE

LESSONS IN OPTOMETRY

HARRY H. ROSENTHAL, O. D.
Woolridge Building, Clearfield, Pa.

LESSON SEVENTEEN

Is there any way in which a per-
son can himself determine whether or
not he needs the services of an Op-
tometrist?

The eyes of many people are so ab-
normal that they themselves learn of
their optical deficiencies.

All people are not so situated?
No, by far the greater number who
need glasses are not aware of the
fact.

Is it possible to suffer from eye
strain and not recognize it as eye
strain?

Yes, thousands of people suffer for
years from strained eyes and never
learn that their eyes are the cause
of their physical ailments.

Glasses would be a benefit to such
people, would they not?

Yes, a distinct advantage to them,
for in the majority of cases when the
eye strain is removed all the accom-
panying troubles disappear.

Gossip for Tonight's Tea Table

Mrs. Jonathan Ogden returned to
her home in Mt. Zion yesterday after
visiting her sister Mrs. V. U. Spencer
in Bellefonte for the past week.

Miss Anna Kujawa and Miss Ber-
nice Labord have returned from
spending the past few days in State
College.

Vinol What You Need to Build
Your and Give You Strength

Because it is a non-secret, sci-
entific combination of the most suc-
cessful tonics known—Cod Liver
and Beef Peptones, Iron, Nux
Vomica and Hypophosphites.

It enriches the blood with thou-
sands of red blood corpuscles,
quickens the circulation, creates
a hearty appetite and imparts
strength and vigor to every part
of the body.

ARMISTICE DAY

NOTHING THAT WE CAN SAY would fittingly honor and
justice to this great occasion and those who shared in the
and glory. The response must come, not from human lips
from human hearts dedicated to a greater reverence for the
of righteousness and freedom, through which today we are enjoy-
ing happiness.

Armistice Day, a day that brings the renewed thrill of a his-
toric achievement; one that can appropriately be dedicated to the
memory of those who contributed so nobly to the triumph of civilization. A day that
should inspire us to an unselfish determination to contribute our share toward the expansion
good and a realization of the ideals of human progress.

**WHY SHOULD YOU PAY
A HIGH PRICE FOR COFFEE**

When you can buy the
popular American drink

POSTUM

which is better for you
—has a rich coffee-like
flavor and costs less.

There are two kinds of Postum

Postum Cereal is boiled for 15 minutes
after boiling begins. A delightful cup results.

The newer form, Instant Postum, is made by
placing a teaspoonful in the cup—then add
hot water, and stir until quickly dissolved.

Grocers sell both kinds

"There's a Reason" for Postum
